April 6(Thu)~7(Fri), 2023

THE AMBASSADOR SEOUL - A PULLMAN HOTEL

## Welcome Message

On behalf of the Organizing Committee, I would like to welcome all of you to the 2023 East Asia Hemophilia Forum. EAHF 2023 is hosted by the Hemophilia Working Party of the Korean Society of Hematology in Seoul, Korea on April 6~7, 2023. As the Pandemic prevented us from meeting face-to-face for two years, I look forward to EAHF 2023. We will be able to finally meet everyone and share our latest advancement.

EAHF is a forum where hemophilia experts from a number of East Asian countries as well as world renowned scholars get together to share their knowledge on the treatment of hemophilia. EAHF 2023 will feature each member country's presentations on latest updates on hemophilia treatment and various other sessions and topics. You will be able to listen to presentations on the progress on interesting research topics.

I hope that all of us will come out of the pandemic better and stronger and that we meet each other in Seoul next April.
